

István

István Vajda- Resume

István is a highly experienced educator with degrees in Mathematics and Physics Education, Computer Science Education, and a PhD in Mathematics and Computer Science. He has taught at various institutions, including high schools, colleges and universities, with a long-standing role at Óbuda University since 1999. Over his decades-long career, István has adapted to institutional changes while maintaining a strong commitment to teaching. His expertise spans Mathematics, Physics, and Computer Science, making him a valuable educator in both secondary and higher education.
